**Boys Hope
Girls Hope**
Cincinnati

This October, Rep. Denson is proud to feature Boys Hope Girls Hope of Cincinnati, an exceptional organization dedicated to empowering young people to overcome challenges and achieve their dreams.

Boys Hope Girls Hope provides critical academic and emotional support to students from disadvantaged backgrounds, helping them graduate high school, pursue college, and embark on meaningful careers. Their mission is to break the cycle of poverty and develop future community leaders.

Earlier this month, Rep. Denson joined Boys Hope Girls Hope at their Hearts for Hope Gala to recognize their positive impact on the district. This organization's dedication to supporting young people and removing barriers is a strong example of what it means to put People First in Cincinnati.
