## Welcome!

Dear Neighbors and Friends,

May is a beautiful time of year here in Ohio. I am pleased to say that over the course of the month I have had the opportunity to meet with educators for various districts in Lorain County and attend several events. I attended the Village of Grafton Veterans Memorial and Parade. During this time of year, it is important to take the time to remember and celebrate those that gave their lives so we can enjoy freedom in America. I also presented Lorain County with a resolution for its 200<sup>th</sup> Anniversary. I am proud my family and I have called Lorain County home our whole lives. I hope everyone was able to enjoy the weather with friends and family over the long Memorial Day weekend.

### Columbia Station High School Visits the Statehouse

I had the opportunity to meet with the students in the ROX program at Columbia Station High School. ROX, Ruling Our eXperiences, is a group dedicated to empowering young women. They were able to sit in on a committee, tour the Ohio Statehouse, and discuss current events with me and Representative Stein on the House floor. It is wonderful to see the next generation take an interest in how our beautiful state operates.
