

A Legislative Update from

STATE REP. JOE MILLER

House District 53

District Spotlights

Dear Neighbor,

November has been a productive month as I've had the opportunity to advocate for meaningful legislation by giving sponsor testimony on five bills: **HB 409**, **HB 411**, **HB 470**, **HB 560**, and **HB 633** (see pg. 2 for more information).

Each of these measures addresses important issues impacting our communities, from education to health care and beyond. In addition to advancing these bills, Primary and Secondary Education Committee has met this month, along with the Higher Education Committee and Finance Committee. I'm proud of the progress we've made and remain committed to championing initiatives that strengthen our state.

As always, do not hesitate to reach out to my office with any questions, concerns, thoughts, or ideas. My office can be reached at 614-466-5141 or Rep53@ohiohouse.gov.

Sincerely,

State Representative Joe Miller

Sponsor Testimony on HB 633: Regarding Type 1 Diabetes information for parents

This month, I had the privilege of giving sponsor testimony alongside Rep. Hall on **House Bill 633**, our legislation to require schools to provide informational materials on diabetes

when students are first enrolled in elementary school. Early identification and awareness are key to helping students and families manage a potential diagnosis, improving long-term health outcomes. We're committed to ensuring families have the tools they need to recognize the signs of diabetes early, empowering them to take action and support their children's well-being.

Cleveland Premier Pickleball

I am proud to commend Justin and his business partner for their investment in the Cleveland Premier Pickleball club in Avon Lake. This venture not only brings a vibrant, growing sport to our community but also strengthens local opportunities for recreation and connection. Their dedication to enhancing our community through this innovative project is truly commendable, and I look forward to seeing the club thrive as a hub for fitness and fun. Bowling Green University Bipartisanship Panel

As part of a dynamic day of discussions at my alma mater, Bowling Green State University, I was honored to participate in the Beyond Party: Working Across the Aisle panel, alongside state legislators from both the House and Senate, representing all caucuses. Together, we explored strategies for fostering bipartisan collaboration to address critical issues facing our communities.
