Ohio Sales Tax Holiday – ACTIVE THROUGH MIDNIGHT ON AUGUST 8TH!

When Rep. Click and the General Assembly passed HB 33 last year, they approved a statewide sales tax holiday from July 30th to 11:59pm on August 8th. During this period, purchases of most tangible personal property under \$500 will be exempt from sales tax. Some examples of qualifying items include but are not limited to electronics, clothes, home goods, dine-in food, pet food, toys, school and office supplies, sports equipment, luggage, musical instruments, personal care products, and much more.

Tax holidays such as this one are a direct result of responsible budget management by the General Assembly and present an excellent opportunity to complete back to school shopping, stocking up on groceries, going out for a nice meal, or just good old fashioned retail therapy! See [here](#) for more details and take advantage before it's too late!

The Seneca County Fair

Representative Click was honored to [attend the Seneca County Fair](#) and its many festivities last week. Each year, the Seneca County fair presents a week of entertainment, community connection, business activity, and much more to the people of Seneca County. It is also an excellent time for leaders and elected officials to easily engage with community members and vice versa, an opportunity which Rep. Click has always done his best to take advantage of.

A major thank you and congratulations are in order for the fair's organizers and the businesses, organizations, and volunteers who worked hard to make it such a success! Because of their efforts and each person who attended, participated, and made it home, Seneca County is undoubtedly a better place!
