Dear Family,

Happy New Year! I hope you and your family had a wonderful, healthy holiday season with family, friends, and new cherished memories. As we begin 2023, I could not be more excited to serve our district in the Ohio House of Representatives. This year is filled with opportunity to work together and deliver results for the People of Ohio.

On January 3rd, I was proud to be sworn in as state representative for Ohio's 2nd House District. As your voice in the state legislature, I promise to work hard for you and your family every day. I am excited to share more updates on legislation, committee work, in the weeks to come.

With a new Speaker of the Ohio House and new colleagues on both sides of the aisle, I am more optimistic than ever about the future of our state. Ohioans have faced great challenges in the last few years and 2023 will be no different. But, I am confident that we can work side by side to create better lives and brighter futures for everyone in this state.

I am proud to be your state representative. I want to hear from you! My office is happy and ready to help you with any state related issue or just to listen to your thoughts about state government. Always remember, I work for you. I hope you'll reach out. Please do not hesitate to contact my office with any questions, comments or concerns.

Sincerely,

Representative Latyna M. Humphrey
State Representative
Ohio House District 02

REP02@OHIOHOUSE.GOV

This Martin Luther King Jr. Day, we must re-commit, as Ohioans, to creating a more just, equitable society through action. "The arc of the moral universe is long, but it bends towards justice."

Rep. Humphrey announces priorities for the 135th General Assembly

I am very proud to be representing Ohio's House District 2. While this district is new and includes areas that I have not represented before, I am a Columbus native. I know this area. I am looking forward to meeting you, listening to you, and learning all that I can in my role as your state representative. It is my priority to connect with you and the groups that represent you. I will reach out and build relationships with constituents and community leaders by holding town hall meetings, attending area commission meetings, attending Whitehall City Council meetings and more.

I will be recognizing local businesses through resolutions and letters of commendations. I will also strive to continue work that I have already begun on issues that affect us and our community. Criminal justice reform is vitally important to me. We need to ensure our communities are safe but also that our people are also safe from violence and overreach. We need to ensure that those who have had contact with the criminal justice system have opportunities to positively rehabilitate themselves. We are currently suffering from a housing crisis—finding an affordable place to live is becoming more and more difficult. The job market is improving but we need to ensure that people have the skills and the ability to find jobs that pay well and provide a good working environment. I pledge to work hard on all of these issues and more so that we can make our district a better place to live for you and I.

Rep. Humphrey elected Secretary of OLBC

Last month, State representative Humphrey was elected Secretary of the Ohio Legislative Black Caucus. The Ohio legislative black caucus is the oldest black caucus in the nation, and its goal is to promote, foster, and sponsor education, civic, and political activities that enrich and improve African American communities across the state of Ohio through the efforts of the members of Ohio Legislative Black Caucus.

The caucus's efforts are further accomplished through active legislation in the state and community partnerships with other elected officials and constituents in and around the districts the board represents.

I am happy to work alongside my colleagues for the betterment and advancement of our community. Said, Representative Humphrey.
