Dear Family,

I hope you're doing well and enjoying the summer. This Month our office is organizing a senior community resource fair. The event is designed to help seniors in Ohio's House District 2 find resources, services, and connections that can enhance their well-being.

The fair will feature a variety of vendors including healthcare providers, senior housing options, community centers, and social support networks. There will be workshops, interactive activities, and the opportunity to meet fellow seniors, caregivers, and volunteers.

Here's a list of some of the vendors that will be present: Franklin County Auditor's Office, Modcon Living, Cancer Support Community Central Ohio, Franklin County Veteran Service Commission, Legal Aid Society of Columbus, Mid-Ohio Food Collective, Central Ohio Area Agency on Aging (COAAA), Urban Aging Residents Coalition UARC, PER SCHOLAS, CASA of Franklin County, City of Whitehall - Senior Center, Franklin County Office on Aging, Office of the Ohio's Consumers' Counsel, The Health and Human Services Mobile Unit, VA Caregiver Support Program, Columbus City Council, MORPC, Wexner Heritage Village, Primary One Health, Anthem blue cross and blue shield, and the Ohio Commission on Minority Health.

July 10th, is the last day to register to vote for the undemocratic August 8th special election. Our constitution was founded on the freedom to change our government when our government is no longer working for the people. Issue 1 will shred our constitution, it will end majority rule in our state, and it will destroy the sacred principle of "one person, one vote."

Make sure your voice is heard this August! Register at: vote.ohio.gov. #VoteNoInAugust

Rep. Humphrey's House Bill 114 Passes Ohio House

Last month, Representatives Humphrey and Seitz's Bipartisan House Bill 114 was successfully passed during House session. This bill aims to amend section 3517.13 of the Revised Code to allow candidates to utilize campaign funds for certain childcare costs. The passing of this legislation is a significant win for working and middle-class families, as it will provide them with the opportunity to use campaign funds to access childcare services. It is expected that this will promote diversity within the legislature by enabling more women and working-class individuals to participate. Honorable Representatives Brennan, Williams, Miranda, Blackshear, Brent, Upchurch, McNally, Schmidt, Rogers, Weinstein, Isaacsohn, Brown, and Mohamed cosponsored this bill, which received 65 yeas and 29 nays.

The bill is now undergoing further consideration in the Senate.
