From the desk of Rep. Humphrey,

Dear Family,

Happy New Year! I hope you and your family had a wonderful, healthy holiday season with family, friends, and new cherished memories.

As we begin 2024, I could not be more excited to serve our community in the Ohio House of Representatives. This year is filled with opportunities to work together and deliver results for the People of Ohio, putting people first.

As your voice in the state legislature, I promise to work hard for you and your family every single day. I am excited to share more updates on legislation, committee work, and more in the months to come.

With a new year, I am more optimistic than ever about the future of our state. Ohioans have faced great challenges in the last few years and 2024 will be no different. But, I am confident that we can put people first to create better lives and brighter futures for everyone in this state-no matter who you are.

I am proud to be your state representative. I want to hear from you! My office is happy and ready to help you with any state related issue or just to listen to your thoughts about state government. Always remember, I work for you. I hope you'll reach out. Please do not hesitate to contact my office with any questions, comments or concerns.

Martin Luther King Jr. Day

January 15th

This Martin Luther King Jr. Day, we must recommit, as Ohioans, to creating a more just, equitable society through civic action. "The arc of the moral universe is long, but it bends towards justice" - Dr. Martin Luther King Jr. Every Ohioan, no matter who you are, deserves the freedom, dignity, and opportunity to thrive.

The Anniversary of Roe v. Wade

January 22nd

January 22nd is the Anniversary of the landmark Roe v. Wade decision. Though this decision was overturned in 2022, it serves as a reminder that we must protect abortion and reproductive rights for all. The right to make healthcare decisions about your own body is non-negotiable.

State Representative Humphrey collects dozens of winter items for displaced residents from colonial village.

To end the year with a bang, last month, State Representative Latyna M. Humphrey collected dozens of items for residents who were displaced in Colonial Village.

In November 2023, it was revealed that hundreds of people from the minority and Haitian community were illegally living in the [condemned apartments of Colonial Village](#). In an effort to support these displaced residents, State Representative Humphrey partnered with Liberians in Columbus Inc. and Haitian Community Network to collect winter essentials for the approaching winter season.

State Representative Humphrey hosted a wonderful event with a huge turnout. Community leaders from across central Ohio, and across party lines, came out to support the effort and show unity in the community.

This event showcased State Representative Humphrey's spirit to unify the community and demonstrated that, regardless of what is going on in the political climate, the community takes care of its people.
