Dear Neighbor,

As we enter the final month of the year, I want to wish you and your loved ones a very warm and heartfelt Merry Christmas, Happy Hanukkah, Happy Kwanzaa, and Happy New Year! However you celebrate, may this season bring peace, love, joy, and moments of rest.

This time of year is a reminder of both gratitude and responsibility. While many families are preparing for holiday gatherings, some continue to face food insecurity, rising costs, and the impacts of workforce disruptions (layoffs). My Democratic colleagues and I remain dedicated to ensuring that Ohio families have the support they need, from protecting SNAP benefits to advocating for fair wages, safe working conditions, and community resources that keep people fed, housed, and healthy. I am working to make sure that ALL Ohioans have a quality lifestyle that is affordable!

You may also hear conversations about eliminating property taxes altogether. While it may sound appealing at first glance, the truth is that eliminating \$20 billion in revenue, without a real replacement plan, would devastate our schools, police, fire departments, and essential local services. That's why we are fighting for responsible solutions, like targeted property-tax relief for seniors and families who need it most, without undermining the services our communities rely on every day.

As we close out the year, I encourage you to stay informed, stay engaged, and continue looking out for your neighbors. Even a simple gesture, a warm smile, a shared meal, or a quick phone call, can make a world of difference during the holiday season. Our community is strongest when we uplift one another.

If my office can be of any help, please email rep42@ohiohouse.gov or call 614 466-1401. It is an honor to serve you, and I look forward to continuing our work together in the new year. Happy Holidays!

Warmly,

Elgin Rogers, Jr.

District Shoutouts Holiday Edition

**Toledo
Museum
of Art**

Congratulations Toledo Museum of Art!

This month, we shout out the hard work of this organization. It was announced that the American Numismatic Society (ANS), owner of the world's fourth largest coin collection, will relocate to the Toledo Museum of Art campus! This move is expected to generate at least 150 million dollars in economic impact for Northwest Ohio over its first decade.
