## *Rep. Thomas' Wins:*

The Joshua Alert, sponsored by Rep. Thomas and Rep. Gross, has recently passed through committee. Rep. Thomas is hopeful that the bill will be enacted by the one-year anniversary of Joshua's passing this November.

Rep. Thomas and Rep. Gross are seen together in the picture, standing with Jonisa Cook, the mother of Joshua Al-Lateef Jr. With her testimony, the representatives have been working to ensure this bill protects other families with vulnerable children from harm.

Rep. Thomas announced that the Ohio Controlling Board has approved state funding of \$249,993.23 toward strengthening campus security at the University of Cincinnati. This funding from the Campus Safety Grant Program will allow for specialized security barriers to be purchased from Meridian Rapid Defense Group. Students on the UC Campus will be provided enhanced safety through emergency preparedness and the securing of high-traffic areas.
