A LEGISLATIVE UPDATE FROM STATE REP. MICHELE GRIM

OCTOBER + NOVEMBER 2026

Michele Grim *is a strong voice for northwest Ohio, representing the 43rd District (encompassing part of Lucas County) in the Ohio House.*

Dear Neighbor,

As we enter the season of Thanksgiving, I'd like to begin by thanking every Ohioan who came out to vote in the midterm elections. Because of you, we have broken the Republican supermajority in the Ohio House of Representatives.

While we still have a few difficult weeks ahead during lame duck, I remain focused on the work ahead. The challenges we face won't disappear overnight, but neither will the opportunity to make progress. On the first day of the 137th General Assembly, I'll hit the ground running with legislation focused on making life better for Ohioans.

I hope you have a wonderful Thanksgiving filled with time to rest, reflect, and enjoy the people who matter most. There is a lot to look forward to, and I'm excited for what lies ahead.

Michele

District Spotlight

Congratulations to The Toledo Clinic on its 100th anniversary, and thank you to every physician and staff member who has helped provide care to generations of northwest Ohioans.

It was a pleasure to visit the Sofia Quintero Art and Cultural Center in South Toledo. SQACC has really invested in the neighborhood and does incredible work celebrating Latino art and culture.

Legislative Updates

Here are some bills I have provided sponsor testimony for over the past few weeks

House Bill 855

The Ohio Safe Homes Act would ensure that survivors of domestic and sexual violence have the right to change their locks or break a lease early.

House Bill 46

The Extreme Risk Protection Order Act is commonsense gun legislation that protects people at risk from harming themselves or others.
