**State Rep. Sims (D-Akron)** this week along with her colleagues voted favorably on the passage of numerous bills during House Session:

- ⇒ **HB 352:** Establish an Adverse Childhood Experiences Study Commission
- ⇒ **HB 360:** Designate August 14th as “Ukrainian Independence Day” in Ohio
- ⇒ **HB 372:** Requires vehicle operators to watch, listen, and stop for on-track equipment at railroad crossings
- ⇒ **HB 30:** Requires correctional facilities to supply feminine hygiene products
- ⇒ **HB 50:** Create mechanism to allow relief-collateral sanction for housing

**Rep. Sims** is proud to be a part of the many bipartisan and commonsense pieces legislation, which conveys the People First message that the Democratic caucus is putting as a main focus on their legislative actions.

The main focus of the legislature should be allowing Ohioans to flourish and thrive no matter their background. These pieces of legislation are stepping stones to the greater goal of every Ohioan being allowed to have a safe community and a better quality of life in the great state of Ohio.
