Every year on October 11, the global community comes together to celebrate International Day of the Girl. Today recognizes the commitment towards creating opportunities for girls to have their voices heard on the global stage. House Democrats honor this commitment and will continue to support our youth, driving progress in our communities, building a strong Ohio for all.

Happy Halloween from Ohio House Democrats!

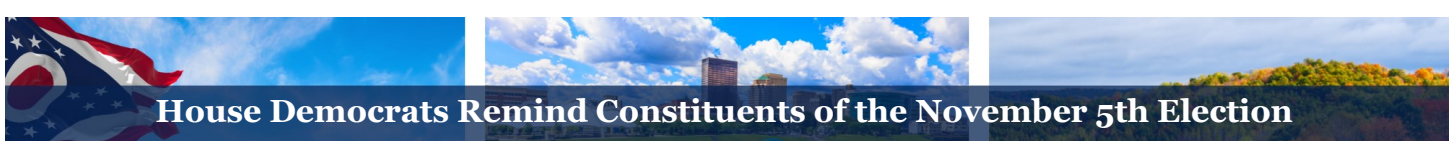

House Democrats have introduced a House resolution to express the Ohio House of Representatives' support of a "YES" vote on the Issue 1, the citizen-led ballot initiative to end partisan gerrymandering in Ohio.

Ohioans can learn more about the amendment and its implications [here](#).

This resolution is necessary due to the constant stream of lies and misinformation surrounding the true nature of Issue 1.

The resolution urges the people of the state of Ohio to support Issue 1, which would eliminate partisan gerrymandering by placing the redistricting process in the hands of Ohio citizens rather than politicians and paid lobbyists. It further notes that supporting Issue 1 would also establish the Ohio Citizens Redistricting Commission (OCRC), ensuring a fair and transparent process that reflects the diverse voices and communities of our state.

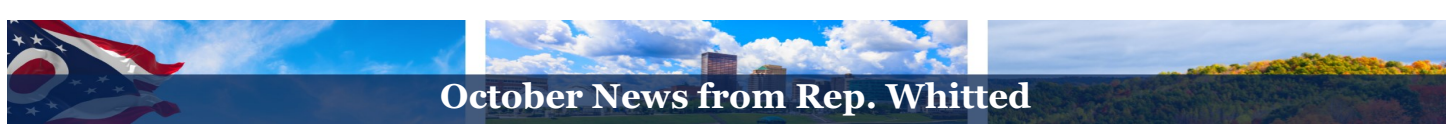

Voting is one of the most fundamental rights that we have. Make sure you register to vote for the upcoming November election, where we will vote to determine our future. Make your voice heard! The last day to register for the November general election is October 7th.
