

from the desk of

STATE REPRESENTATIVE CHRISTINE COCKLEY

OCTOBER 2026 | STATEHOUSE UPDATE | HOUSE DISTRICT 6

Rep. Cockley toured Honeywell's facility to see the innovative work and products being developed right here in District 6.

Dear District 6 Neighbor,

Happy October! As we head into the heart of fall, I'm grateful for another month spent connecting with neighbors, community leaders, and organizations across House District 6. September brought plenty of opportunities to celebrate the people and organizations that make our community so strong. I'm proud to bring what I learn in our community back with me to the Statehouse as we continue working together to build a stronger Ohio.

September gave me the opportunity to recognize the people and organizations making a difference across Ohio. At the Statehouse, I joined fellow Buckeyes to celebrate numerous honorees for their years of service and contributions to our state. It was wonderful to recognize their dedication to public service and celebrate the lasting impact they have made in their communities and across Ohio.

At Mid-Ohio Food Collective, I heard from President and CEO Matt Habash about the important connection between access to nutritious food, better health outcomes, and stronger communities. I'm grateful for their continued work to ensure families across Central Ohio have the resources they need.

I also toured Honeywell's West Side manufacturing facility to learn more about the innovative projects and necessary products being developed right here in District 6. I also want to extend a well-earned congratulations to Honeywell on their recent OSHA VPP certification, which reflects their commitment to workplace safety and excellence. It was great to see firsthand the dedication of the Ohioans helping strengthen our manufacturing industry.

As always, I am here to listen and serve. Reach out to my office if you need support or information.

Yours in service,

Christine Cockley

Hearing from Equitas Health about healthcare in Central Ohio.

Meeting with CelebrateOne to discuss how we can support growing families.

Attending Mid-Ohio Food Collective's Breakfast with the Boss.

Rooting for fellow Buckeyes at the Ohio State Alumni in Government Luncheon.
