

LEGISLATIVE UPDATE

Dear Neighbor,

As the General Assembly begins its summer recess, the work of serving Ohioans continues. While legislative session days may pause, our commitment to our communities never does.

In this month's newsletter you'll find updates on our work at the Statehouse and around the district, along with information on resources and upcoming events.

As always, if there is anything my office can do to assist you, please do not hesitate to reach out by email at Rep21@ohiohouse.gov or by phone at 614-644-5079.

Sincerely,

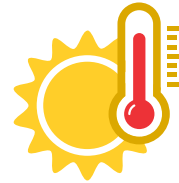

Eric Synenberg
State Representative, District 21

In June, we recognized Pride Month and celebrated the LGBTQ+ community across Ohio and in Cuyahoga County. It is a time to reflect on the importance of dignity, respect, and equal rights for all, and to reaffirm our commitment to building inclusive, welcoming communities.

America 250

This Independence Day holds special significance as our nation celebrates America's 250th anniversary. The Fourth of July is more than a celebration of our independence. It is a time to reflect on the enduring principles that have shaped our country for two and a half centuries: liberty, equality, democracy, and the belief that government derives its power from the people. These ideals have endured because generations of Americans have worked to protect them, even through times of challenge and change. See some local upcoming celebrations of America's birthday below:

July 8: The Spirit of America: Public Reading of the Declaration of Independence and Community Celebration

3 Public Square, Cleveland, OH 44114

July 10: The Battle for the Ballot: Cleveland's Suffragist Movement

1 Wade Oval Drive, Cleveland, Ohio, 44106

July 30: 250th Anniversary Picnic: Movie and Concert

1 John Carroll Blvd. University Heights, Ohio 44118

I joined the Beachwood Historical Society portraying "Heroes Who Shaped America" in celebration of America 250.

As we gather with family, friends, and neighbors, I would encourage everyone to celebrate not only our nation's remarkable history but also the responsibilities that come with our freedoms. Democracy is strongest when we participate, when we respect one another despite our differences, and when we remain committed to the ideals upon which our country was founded. We as Americans are called to celebrate not only our nation's remarkable history, but also uphold the responsibilities that come with our freedoms. In addition to our semiquincentennial celebration, we have local Fourth of July celebrations taking place throughout our communities. In addition to the above celebrations, Fourth of July gatherings across our communities reflect that spirit, as neighbors come together to honor Independence Day including:

I portrayed Alexander Hamilton, honoring his role in shaping America's constitution and the nation's financial system.

Cleveland: Fireworks at Voinovich Park
800 E. 9th St. Pier, Cleveland, OH 44114
Begins approximately at 10:00 P.M.

Lyndhurst: Concert in the Park
1341 Parkview Dr, Lyndhurst, OH 44124
Begins at 7:30 P.M.

As we celebrate, I wish all residents a safe and enjoyable Independence Day holiday. Please take care when traveling, attending local events, and celebrating with family and friends, and continue to look out for the safety of those around you.

Out and About

I would like to share with you a few photos from the past month that reflect the many conversations, events, and moments of community connection across the district and at the Statehouse:

I was honored to join in the Cleveland Pride Parade in celebration of Pride Month. It was a meaningful opportunity to stand with the LGBTQ+ community and celebrate the strength and diversity of our region.

I had the honor of attending and presenting commendations at the Cleveland ORT Jurisprudence Awards.

I was pleased to join my colleagues at the unveiling of the Greater Cleveland Food Bank's new Community Resource Center.

I had the privilege of speaking at the ribbon cutting for Signature Health's new facility in Beachwood. The new facility will provide expanded access to high-quality behavioral health and primary care services, strengthening support for individuals and families across the community.

I was proud to welcome Beachwood High School wrestling state champion Caleb Greenwood back to the Statehouse in recognition of his back-to-back state championship titles.
