Dear Neighbor,

Welcome to the second and final year of the 136th General Assembly! I want to welcome all of our new constituents to our monthly newsletter! Each month, you will learn about the different holidays my office honors, what is happening at the Statehouse, and events happening in House District 34. If there is a particular topic you would like to learn about, we are always open to suggestions!

This month, my office honored Labor Day, Suicide Prevention Month, and Hispanic Heritage Month. As we mark another anniversary of the tragedy that occurred on September 11th, 2001, our thoughts remain with the victims, their families, and the brave first responders that risked everything to save lives of fellow Americans. I also want to highlight crucial mental health resources Summit County has available, such as the National Alliance on Mental Illness (NAMI) and Alcohol, Drug addiction, and Mental Health services (ADM). You can call the NAMI Helpline: 800-950-NAMI (6264) or the ADM Crisis Center Line: 330-434-9144 for immediate support, or text "NAMI" to 741741 for 24/7 crisis counseling.

In this month's newsletter, you will learn more about events I have recently attended in the district, and important information on how to plan for the upcoming general election in November. If you have any questions, comments, or concerns, please do not hesitate to reach out! I would be happy to assist you.

Sincerely,

Here are some ways my office can assist you:

Representative Hall in the Community!

Labor Day & RubberDucks

This month, I saw some familiar faces at an Akron RubberDucks baseball game. This event celebrated Ohio workers, honored the history of Labor Day, and gave community members and leaders a place to gather, connect, and discuss some of our policy priorities. As we celebrate the accomplishments of labor unions and movement leaders, we also have to recognize the importance of continuing our fight for fair wages, worker protections, and policies that improve the lives of working class families.

Stow Summer Sunset Blast

To celebrate the end of summer, the City of Stow hosted the Stow Summer Sunset Blast. I had a blast chatting with neighbors and constituents, participating in the events, and seeing kids and adults try our fitness challenge!

Tallmadge State of the Schools Luncheon

This month, the Tallmadge Chamber of Commerce hosted the State of the Schools luncheon for attendees to discuss and learn about our local public schools. Our schools are in trouble because the state has stopped paying its fair share, but I'll keep fighting to find ways to get our public schools the funding they need to provide an excellent education to our children. I stand with our public schools!
