# WORKING FOR YOU

## *In Columbus:*

Our office is continuing to take meetings and make meaningful connections in the state legislature. This month I took over 12 meetings in my Columbus office, signed commendations for members of our community, and worked to protect the working people of House District 41.

## At Home:

### *Cherry Street Ministries*

It was wonderful to tour Cherry Street Ministries and learn more about how our office can get connected with constituent services.

### *PENTA Career Center*

I had a hands-on experience at the PENTA career center this month. I was able to take a tour, and learn more about what the career center does for students in the district.

### *Met with Constituents*

I took meetings and phone calls with constituents who had issues that they felt legislation could help resolve!
