

BOOTS ON THE GROUND

A Legislative Update from the Office of State Rep. Erika White

Dear Neighbor,

This summer, it's time to demand better from lawmakers. In June, House Democrats stood strong against the state operating budget, HB 96, which makes drastic cuts to essential funding areas without benefiting everyday Ohioans. This budget, pushed by House Republicans, abolishes the bipartisan fair school funding formula, neglects to provide real property tax relief, and gives \$600 million to billionaires for a new Browns stadium, despite local opposition.

This July, we celebrated Independence Day, a holiday symbolizing our nation's first steps in democracy & freedom! Some celebrated with loved ones or friends; for others it was a workday celebrated with co-workers; some celebrated alone or with strangers; and some choose not to celebrate unsure of the future or freedom for our country. Lets be reminded, this nation was founded upon the ideals of freedom, equality, and justice, values that we must continue to embrace and celebrate. The Fourth of July serves as a reminder of why this country, and state, is special and why it is worth fighting for. No matter how you chose to celebrate—or not, we must remember the sacrifices and struggles in our continuing journey towards equality and freedom.

House Democrats have also elected a new leadership team for the remainder of the 136th General Assembly

- Minority Leader Dani Isaacsohn (D-Cincinnati)
- Assistant Minority Leader Phillip Robinson, Jr. (D-Solon)
- Minority Whip Beryl Brown Piccolantonio (D-Gahanna)
- Assistant Minority Whip Desiree Tims (D-Dayton)
